# My Glory is Arising

Valerie McLelland 17 January 2017

## A Prophetic Sense for Four12 Partners in Europe

I believe at this time that the Four12 Churches in Europe are being strengthened through their connection to a wider body of believers, all containing within them giftings that will lay, correct and strengthen their foundations, so that they, in turn, can launch into the nations and broaden their influence. This includes revealing the heart of the Father, modelling true unity and establishing the kingdom of Jesus everywhere.

It is very important at this time that all believers strengthen their individual relationship with the Lord through their personal devotions so that the corporate body can experience a greater display of the presence of the Lord. As Moses said,

‘How will anyone know that you look favorably on me—on me and on your people—if you don’t go with us? For your presence among us sets your people and me apart from all other people on the earth.’ (Exodus 33:16, NLT)

# A Prophetic Sense for Four12 Partners in South Africa

‘Arise, South Africa, arise, for the fresh light of My glory is arising. God’s light and glory is lighting up the whole land of South Africa.’ (Joel 2: 23-24, paraphrased)

Be glad then, you children of Zion, and rejoice in the Lord your God, for He has given you the former rain faithfully, and H e will cause to come down for you the rain, the former rain, and the latter rain in the first month. And the threshing floors shall be fill of wheat, and the vats shall overflow with wine and oil.

You are coming into a season where there is going to be a battle between light and darkness. In this time, My light is going to break forth. This is a time that My servants are going to be trained in warfare; they are going to be trained to fight with faith, and by the Word of the Spirit they shall overcome, and I will light up this nation in glory. No longer will you fight like you used to, for the ways and schemes of men will pass away, the darkness will be dark and the light will be lighter.

The world will say: YES, darkness has come, but My church will say: “Wait, wait, the light of the Lord has risen upon us”. It will be then that I will press into this nation. No longer will they fight, but I will fight for them. As long as My church and people will walk in unity, I shall fight for them. As long as they shall go forth with one purpose and mind to fulfil the call and mandate that I have placed upon them, and walk in unity and boldness, I shall bless whatever they do. And truly there shall be a purity that shall shine from My servants. Men shall come and fall down on their faces, because of the purity and power that will radiate from My church and people in this nation.

This is a redemptive work, the light in the Spirit and the conquering of the land shall not stop on the borders of South Africa. It will cross like a flood and flow and flow to the rest of Africa. It shall flow, flow, flow. The darkness will be scattered and it will flee as the light and power of my glory comes. This will be supernatural. Remember, the battle that is at hand will not be fought in the flesh, but in the spirit, with My power and My grace. I shall send my angels and Spirit forth.

If my servants and Church will humble themselves, walk in love, humility and unity, I shall bless them, I shall conquer for them. I shall break down the walls and places of captivity. I am raising up a Joshua generation that will take this land. It shall be redeemed and restored for my glory.

‘Arise, shine, for your light has come, and the glory of the Lord is rising upon you.’ (Isaiah 60:1, paraphrased)
