Pouring His Spirit on All Flesh

Four12 12 June 2023

During the month of May, Kingdom Community Church hosted a Word & Gifts weekend in Richards Bay, KwaZulu-Natal, South Africa. The weekend was attended by 140 saints from four Four12 partnering churches in the region, including Kingdom Community Church, Crowded House Church, Pongola Christian Centre and Risen Hope Church.

It was a powerful time of equipping and training, focussed on embracing the Word of God for ourselves, hearing and obeying the Lord's voice, and stepping out in the gifts of the Spirit to see the supernatural break into lives. One of the strong themes that came through was God's promise that He would pour out His Spirit on all flesh and that all people would prophesy (Acts 2:17) – that even the unlikeliest of people would become the mouthpiece of God and be used by Him. That is part of the promise of the New Covenant and Pentecost. The ongoing work of the Spirit is that everyone gets empowered to be used by the Lord – there are no spectators or second-class citizens in God's Kingdom.

Here are some **testimonies from people who attended** the weekend:

"We had such a wonderful time in Richards Bay – my heart is filled with awe and wonder. We sat under very balanced, biblical teaching from Mike, grounding the gifts and operation of the Holy Spirit in Scripture first. This was followed by an outpouring of the Holy Spirit's power over the

next three days. There was not one session in which there was not supernatural evidence of God's presence and power in our midst – exactly as we were shown in the teaching sessions. Many people were touched by the Holy Spirit, set free of various strongholds, and there were also testimonies of physical healing every day. We also devoted a full session to answering questions regarding subjects like deliverance, healing, gift operations, personal experience etc. The saints were very hungry for truth and understanding. It truly was a blessed, miraculous and powerful time!
I believe what the weekend demonstrated, both from Scripture and activation, was that the gifts of the Holy Spirit and the presence and power of God can still be experienced today as in the book of Acts – and that every single saint can be activated and empowered for the works of ministry and everyday evangelism."
– Martin Jansen (Elder in Joshua Generation Church), speaker

"The Holy Spirit reawakened words and assignments that the Lord had spoken over me years ago, but which I had laid down. I have a new hunger, excitement and life in me to step out and pursue these God assignments."
– JJ Janse van Vuuren

"How beautiful to see varied gifts working together to equip the saints, for growing together in greater unity and maturity in the Lord. I left Richards Bay feeling refreshed and inspired. I definitely caught something of Michael's hunger for the Word and Martin's passion for the supernatural. We are so different, but I loved the way we played team."
– Melanie du Toit (Four12 prophetess), speaker

"It was also truly amazing to see how very different giftings worked together. They displayed their true unity in the Holy Spirit, and the Holy Spirit then revealed true unity to us, and that was so impactful."
– Madelein Janse van Vuuren

"The weekend left me in awe. On the Friday night, I experienced joy and excitement bubbling up on the inside. On the Saturday, I was burning from the inside and I felt like I could not think of anything else but the joy of the Lord. When Martin prayed for me, I was reminded of a dream that God had given me about exercising the gift of healing, which he helped me to understand and also explained to me how to pray for someone for healing. I feel on a high for the Lord."
– Caroline Rudman

"The weekend was a time of renewing my faith, and even loving the Father and people more. God used normal people who love Him to minister to each other. It was very special to see people act when the Holy Spirit speaks (even when feeling foolish), and then express their feelings and experience after being used by the Lord. It was very encouraging to see the saints' love for one another and for the Word, and to be stirred by one another's faith!"
