CURRENT RELIEF GIVEN

Feb 2020 | R293 942

It is hard to consider Zimbabwe to be classified as a third world country. They have no electrical power, no industry, no employment, and no food. Currently, the UN has not agreed to assist because of the massive scale of bureaucratic corruption and theft.

HARVEST TIME:

10% seed will be stored for sustainable farm

Thank You!

We want to thank everyone for giving so generously to the Zimbabwe Relief Fund in such a short time. This hand out was always intended to become a hand up in sustainable farming with 10 percent of the harvest stored for the next season. We will continue to pray for and support our partnering churches in Zimbabwe as the need arises. If you would like to continue giving please use the following reference: "***Zimbabwe Relief***" when donating into the Four12 Bank account. Find the Banking Details on our website:
